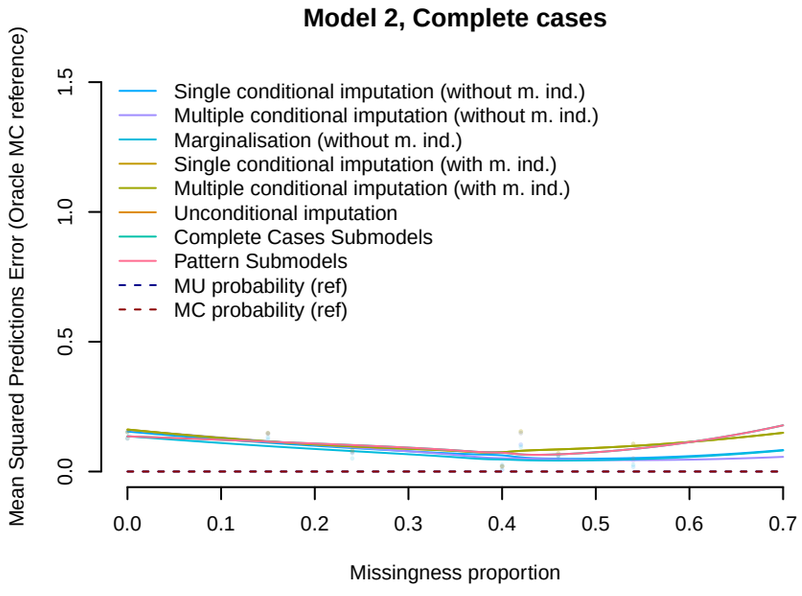
Model 2, Complete cases
Mean Squared Prediction Error (Oracle MU reference)
Missingness proportion
Single conditional imputation (without m. ind.)
Multiple conditional imputation (without m. ind.)
Marginalisation (without m. ind.)
Single conditional imputation (with m. ind.)
Multiple conditional imputation (with m. ind.)
Unconditional imputation
Complete Cases Submodels
Pattern Submodels
MU probability (ref)
MC probability (ref)



Model 2, Complete cases
Mean Squared Predictions Error (Oracle MC reference)
Missingness proportion
Single conditional imputation (without m. ind.)
Multiple conditional imputation (without m. ind.)
Marginalisation (without m. ind.)
Single conditional imputation (with m. ind.)
Multiple conditional imputation (with m. ind.)
Unconditional imputation
