**Model 5, All cases** — **Model 5, All cases** — **Model 5, All cases**

Legend (all three panels):
- Single conditional imputation (without m. ind.)
- Multiple conditional imputation (without m. ind.)
- Marginalisation (without m. ind.)
- Single conditional imputation (with m. ind.)
- Multiple conditional imputation (with m. ind.)
- Unconditional imputation
- Complete Cases Submodels
- Pattern Submodels
- MU probability (ref)
- MC probability (ref)

Left panel: y-axis "Mean Squared Prediction Error (Oracle MU reference)", x-axis "Missingness proportion"

Middle panel: y-axis "Mean Squared Predictions Error (Oracle MC reference)", x-axis "Missingness proportion"

Right panel: y-axis "Mean Squared Error", x-axis "Missingness proportion"
